

## **Community Justice Court Diversion Board of Director Report November 2018**

- 9 people attended the October facilitator meeting held in Perth. We continue to find ways to increase facilitator attendance on a consistent basis
- Next meeting to be held in Carlton Place, November 13
- Elle and I attended the Crime Prevention awards in Ottawa at City Hall. We were impressed at the number of different groups that were awarded. I recommend that next year we coordinate with crime stoppers and OPP to celebrate our own Crime prevention week. There were a number of groups like neighbourhood watch, schools, Businesses, Doctors etc. Nice community event.
- Sarah Wall, our OPP student attended court with me.
- I am attending the quarterly restorative justice meeting next Wednesday in Kingston.
