Dear Sarah:

RE: YOUTH JUSTICE COMMITTEE PROGRAM 2018-19 - PERTH COURT

On **April 1, 2016**, we changed the way funding is allocated for the Youth Justice Committee Program in order to better address service requirements at all program locations in Ontario. This new funding allocation more accurately reflects referral rates at each site and supports service providers in their delivery of the Ministry's mandated service requirements. This approach to funding demonstrates a more effective and efficient use of public resources.

This funding allocation requires regular review of referral rates and service delivery. Each year, some service providers may receive an increase or decrease in funding while others will remain the same.

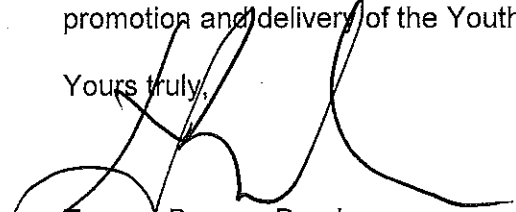

We are providing this letter as a notice to assist you in making any necessary operational changes prior to the 2018/19 fiscal year.

Please note that your funding amount will be adjusted to \$48,800 for the 2018/19 fiscal year.

Within the next several days, one of the Youth Justice Committee program coordinators will contact you to review your revised funding allocation and discuss your program budget for the upcoming fiscal year.

On behalf of the Ministry, I would like to thank you and your staff for your contribution to the promotion and delivery of the Youth Justice Committee Program in your community.

Yours truly,

Tammy Browes-Bugden
