

Exciting Volunteer  
Opportunity

## Join our Board of Directors

Lanark County Community Justice (LCCJ) is currently seeking **two** dynamic individuals to serve on our board.

Since 2000, LCCJ has been providing a restorative approach to healing harm in our community. Our trained volunteer facilitators conduct community justice forums for adults and youth in Lanark County and the Town of Smiths Falls. For more information about our programs and services or an application form visit our website at [www.commjustice.org](http://www.commjustice.org)

We are recruiting two Board members who share our vision and our commitment to community use of restorative practices. We are committed to creating a Board that reflects the diversity within our community and so members of the BIPOC and LGBTQ communities are encouraged to apply.

Preference will be given this year to those with an interest and / or experience in fund raising for nonprofit corporations.

Applications should be in before July 21, 2022. Contact Marilyn Bird [ed@lanarktransportation.com](mailto:ed@lanarktransportation.com) or Carol Anne Deneka [deneka5145@hotmail.com](mailto:deneka5145@hotmail.com) for information or to express interest.
