Larry Sparks - OMYA Canada Inc (613) 267-5367 - I am not sure of Larry's exact title, but very approachable guy and OMYA at one point was partnering with a number of groups within the community lending support... I don't think he would be familiar with LCCJ or even overly receptive to the concept until he was more familiar... I don't think it would benefit to have me attend your presentation to him but feel free to say I suggested you get in touch with him...

- Howard Allan - Allan Chartered Accountants (613) 267-6580 ext. 23 - Howard was one of the original Board members of the Community Foundation and has been a great supporter of the Foundation and many groups in Perth. I would prefer that you not use my name with Howard as I have gone to him a few times for funding assistance with other hats and try not to 'hit up' the same people many times... Again Howard may not be familiar with what we do but is very philanthropic if he believes in what you are doing...

- Deborah Duffy - I don't seem to have a phone number for Deborah and no number in the book, but email is deborahduffy@rogers.com I believe Deborah was going to be a facilitator with LCCJ so you may well have her contact info and may well have already talked to her... Deborah as you probably know became very involved in the Community Foundation once they moved to Town - she had worked with Bryce when he was ED of the Foundation as a recipient and really bought into the whole concept. Deborah is very philanthropic, believes in LCCJ - she may well give a good donation, but also may well give you some very good leads if you sat down for coffee with her...

- Lyn McIntyre - ED, Perth and District Community Foundation - (613) 326-0295 - I suggest we contact Lyn not for grant money, but to request a meeting to sit down with him to discuss public/private partnerships and who he thinks might be a good fit to partner with LCCJ - I would be happy to attend that meeting if you thought it would be of assistance - Lyn and I have worked on a number of projects together over the years...

- Richard Kidd - Warden, Lanark County (613) 267-4200 ext. 1100 - Richard has just been elected as Warden again - he is the Reeve of Beckwith Township. I am suggesting a meeting with Richard that I would be happy to attend to discuss partnerships within the County rather than a request for money... I think Richard would be receptive to the whole idea of Restorative Practices and LJJ - he may not be overly familiar with us at this point, but I think with your presentation would buy in, and by buy in I mean be proud that we have such an organization within our County and the work we do, and work with us to create partnerships with some of the businesses...
